

**XX International Scientific Conference of
Young Scientists and Specialists
(AYSS-2016)**

<http://ayss-2016.jinr.ru>

March 14-18, 2016

Second Announcement

The XX International Scientific Conference of Young Scientists and Specialists (AYSS-2016) will be held on 14 - 18 March 2016 and will be dedicated to the 60th anniversary of JINR.

The Conference is held annually and attended by students, PhD students, young scientists and specialists from scientific centers over the world. The Conference Proceedings with ISBN will be published. The papers recommended by the Competition Committee will be submitted for publication in PEPAN Letters.

Within the framework of the Conference, leading scientists will give lectures on the recent theoretical, experimental and applied investigations related to JINR research with emphasize on the major results obtained at JINR.

Parallel sessions:

The speakers in the parallel sessions get the stage for maximally **13 minutes** and **2 minutes** are reserved for the discussion.

Poster sessions:

Note that poster size is **83 cm width x 117 cm height** (format A0).

COMPETITION OF YOUNG RESEARCHERS' WORKS

JINR AYSS Prize competition will be held for young scientists and specialists up to 35 years who make oral presentations at the Conference (poster presentations are not eligible for the competition). Talks will be presented in 24 blocks of parallel sessions. From each block, the best presentation will be selected for participation in the Competition and all selected participants will present their shortened version of talks (10 minutes including discussion) during plenary session on 17th March 2016. The Committee will select 12 best presentations who will be awarded with cash prize. To participate in the Competition you have to mark a special field in registration form which is open for modification. Your decision will be taken into account not later than 1 hour before the beginning of each block.

SOCIAL PROGRAMME

We would like to welcome all the participants at Conference banquet which will take place at the International Conference Hall (Stroiteley street, 2) on Thursday evening.

We will provide a variety of [sport activities](#).

AGENDA

[Timetable](#) and [list of presentations](#) are already available at the Conference website.

PROCEEDINGS

The Conference Proceedings are planned to be published in electronic form soon after the Conference. The Proceedings will include manuscripts of all talks at the Conference. The detailed information on the preparation of the paper will be given in April. Instructions for preparation will be provided at the conference website. The deadline for paper submission is 1st May 2016. Presenters who will be selected for participation in JINR AYSS Prize Competition will obtain possibility to submit their paper for publication in peer-reviewed journal PEPAN Letters. The maximal length of paper is restricted up to 8 pages and the template is available at the journal website.
