Message from the Guest Editors

Dear colleagues,

We are happy to announce that *Particles* and the organizers of the Helmholtz International Summer School “*Quantum Field Theory at the Limits: From Strong Fields to Heavy Quarks*” will collaborate to produce a Special Issue volume, for extended versions of selected papers from this event (<http://indico.jinr.ru/event/797/>).

As the Guest Editors, we would like to invite you to submit your unpublished and original research relevant to this topic for publication in this Special Volume of *Particles*. All submissions will be peer-reviewed by internationally recognized experts. The Article Processing Charge (APC) for submissions from the conference will be free of charge.
