

# Helmholtz - DIAS International Summer School "Cosmology, Strings, New Physics"

## Friday, 9 September 2016

### Morning session - Conf. Hall, 2 floor (09:00 - 12:30)

time	[id] title	presenter
09:00	[22] Polarization effects and new physics searches	Prof. TERYAEV, Oleg
10:00	Coffee break	
10:30	[47] String orientifolding and N=1 supergravity	Dr MUSAEV, Edvard
11:30	[49] Physics at the LHC - II	Prof. BOOS, Eduard
